

Administration Goals/Priority Objectives

The primary goal of the school administration is to help create and foster an environment in which students can learn strong personal character which will aid them in becoming educated, responsible, productive members of society. Administrative duties and functions shall be directed to attainment of this goal through the use of Core Knowledge curriculum and systematic skills based instruction.

The Principal shall implement and advocate the Core Knowledge curriculum and other policies of Twin Peaks Charter Academy as promulgated by the TPCA Board of Directors in the spirit intended. The Board of Directors shall rely on the Principal to run the day to day business of the school, and keep the Board informed of ongoing programs and issues.

The Administrative duties and functions shall be directed by the TPCA Board of Directors. The board shall rely on the administration to orient the teachers to the mission and philosophy of the school and to provide professional leadership.

The duties and functions for the Assistant Principal shall be established by the Principal with the approval of the board.
