

Funding Proposals and Grants

The TPCA Board encourages the administration, professional staff, and parents to prepare proposals and applications for funds which may be available from federal, state, and private organizations which may benefit the students of Twin Peaks Charter Academy.

All proposals and applications must be reviewed and approved by the TPCA Board prior to submission.

The TPCA Business Manager will keep accurate records of grant expenses according to the granting agencies requirements.

Approved: November 29, 1999
