

Staff Contracts and Compensation

All staff contracts will be considered 'At Will' contracts. Contracts may be terminated by either party at any time for any reason.

Notwithstanding the specification of or specific reference to any law referred to in contracts, contracts shall be subject to and include all laws of the federal, state and local government unless waived by St. Vrain Valley School Board or State Board.

All teachers and administrators are required to meet the requirements for professional growth as outlined in policy T-GCCAE.

All staff is hired at the recommendation of the Principal(s) with the exception of the Director who is hired by the Board of Directors.

The TPCA Board may review the compensation policy annually or as needed. Once adopted by the Board, these plans of compensation shall be displayed in the Board's policy index in subcategories of policy T-GCB.
