

EXPERIENCED LICENSED TEACHER REMEDIATION PLAN

A complete remediation plan shall consist of the performance standard(s) to be consciously worked on during the time specified on the appropriate form(s). The format of this remediation plan is to present one performance standard in need of remediation per form. The performance standard(s) to be remediated constitutes the remediation plan.

Experienced licensed teacher's name:

Date of initiation of this remediation plan:

Date of planning conference to discuss this plan:

Performance standard number for which this plan is developed:

Statement of the performance standard:

Description of why performance stand was "non-proficient:"

Outcome needed to meet Twin Peaks Charter Academy performance standard:

Timeline for "proficient" demonstration of this performance standard. (Timeline does not guarantee a position in any subsequent year for any licensed teacher and nothing in the timeline or remediation plan limits the right of the Twin Peaks Charter Academy Board of Directors to non-renew a licensed teacher.)

Plan of Action:

Needed Assistance and Resources:

This Remediation Plan was developed due to:

Unsuccessful completion of a growth plan that was generated due to a “non-proficient” on a performance standard (1-5).
