

Evaluation of Pilot Programs

(To be completed by the teacher after the pilot program)

This information will be submitted to the Curriculum Committee and used to make recommendation for formal adoption to the TPCA Board of Directors. After completion, place this form in the Curriculum Committee mailbox.

Pilot Program _____ Grade _____
Core Knowledge or other topic area _____

1. What were the indicators of student interest in the materials?

2. What evaluation procedures were used during the pilot implementation that support the continued use of the materials? (Be specific: Writing Rubric, Testing, Oral Discussion, Observation, etc.)

3. Were the materials adequate to meet and/or enrich course objectives and subject area, and were they appropriate for the students?

4. What modifications or improvements were made during the pilot period, and what additional improvements would be recommended?

5. Are you recommending use of these materials as the basis of a unit of study or as supplements to an approved text?
