Notes:

- A student must achieve at the equivalent of C grade work in order to pass a course that is graded pass/no pass.
- A grade of I (Incomplete) is assigned when, due to extenuating circumstances, a student has not completed sufficient coursework for the teacher to assess students work and assign a grade reflective of the student's achievement, e.g. due to extended illness or recent enrollment in the class. It is not an alternative to a grade of F, which reflects failure to achieve.
- Assignment of a grade of I requires approval of the student's counselor or a Twin Peaks Charter administrator.
- The teacher is responsible for converting a grade of I to a regular letter grade no more than three weeks after the end of the grading period. If a student does not complete missing assignments by the deadline, each missing assignment receives a score of zero percent and the grade calculation for the applicable grading period will be made on this basis.
- Grades of F and I do not count towards fulfillment of course requirements.
- If a student repeats the exact course or the same course at a higher level (e.g. Algebra 1 as a repeat for Algebra 1 Basic), only calculation of the higher grade will be included in a student's GPA and credit will be given only once. The lower grade and credit will be ignored although the course and grade will remain on the transcript. This is the regulation only for classes taken in St. Vrain Valley schools. Transcripts from other schools will not be altered.
- Only final grades are used to determine a student's term and cumulative GPAs.
