

PARCC 2015 Summary

Twin Peaks Academy

TPCA PERFORMANCE HIGHLIGHTS:

- **In the top 3 in Language Arts for Grades 9 & 10**
 - **#1 in Language Arts for Grade 11**
 - **#1 in Algebra II**
- 

NEW:

PARCC adds an expectations bucket

- **TCAP - 4 Buckets: Unsatisfactory, Partially proficient, Proficient, Advanced**
 - **PARCC - 5 Expectation Buckets: Not Yet Met, Partially Met, Approaching, Met, Exceeded**
- 

50 schools in the district:

- 25 Elementary Schools
 - 6 K-8 Schools, incl. 1 Montessori
 - 8 Middle Schools
 - 10 High Schools, incl. 1 online

 - 1 K-12 Academy
(maybe you're familiar with it)
- 

PARTICIPATION RATES:

86.85%

District-wide participation rate

97.7%

TPCA's all-school participation rate

TPCA K-5 PARTICIPATION RATES:

99.7%

TPCA's elementary participation rate,
3rd highest in the district.

(Highest participation was Columbine at 100%. But, they also had only 15% at expectations or above and 85% below expectations.)

TPCA 6-8 PARTICIPATION RATES:

98.75%

TPCA's middle school participation rate,
2nd highest in the district.

TPCA 9-12 PARTICIPATION RATES:

95.1%

TPCA's high school participation rate ,
1st in the district.

62%

Average participation rate
for other high schools.

Many schools had low participation rates for this new test. Because of low participation they do not yet have a strong foundation of baseline data, and will have to wait another year to get a baseline.

With its high participation rate, TPCA is one of the few schools that is well-positioned to analyze test results, refine focus, and further improve performance.

With the data that we are seeing, we performed well in comparison to our neighboring schools.
