Bolder Boulder Road Race on May 30!

Where: Here at TPCA

When: Tuesdays and Thursdays from after school until 4:15
beginning Tuesday, March 22

Students should change into weather appropriate clothes after school and bring a water bottle. Students are encouraged to wear running shoes/athletic shoes, as opposed to skateboard shoes, Converse, Keds, or high tops. Elementary students, use the bathrooms closest to your classroom to change and meet Mrs. Feters, Mrs. Williams and the other coaches in the commons. **Parents should plan to pick up their students promptly at 4:15 PM on the north side pick-up area.**

Parents: Directions for registering your student for the actual Bolder Boulder Memorial Day 10K Road Race on May 30 are attached. **Students need to be registered by March 18th to qualify for \$30.00 race entry fee.** You can register as part of our school's team for \$35.00 until April 15. Parents are responsible for providing transportation for their students to and from the race on May 30th. Also, parents of younger students may want to consider running the race with your student, as constant supervision by one of the coaches is NOT possible with a large group during the race.
