I, Pete Wanninger, would like to declare my nomination as a candidate for the Twin Peaks Charter Academy Board of Directors.

Please answer the questions below for publication in the Howl.

1. Why did you choose TPCA?

My wife and I chose Twin Peaks because we like the comprehensive curriculum that Core Knowledge offers. We continue to choose Twin Peaks High School for the quality education utilizing the Classical Education model which excellently prepares them for college coursework.

2. How have you been involved with TPCA?

I have been involved with Twin Peaks since 1996. I have served on various committees including, finance, faculty, and technology committees and currently serving on the Accountability Committee. I am also serving the school through the TPCA Building Corporation (the real estate and financing corporation solely devoted to facilities development at Twin Peaks).

3. Tell us about yourself?

I have 2 children at Twin Peaks - 9th and 11th grade. I also have a freshman and junior at University and an employed college graduate. All have attended Twin Peaks from K to 8th grade and my daughter graduated, last year, from Twin Peaks. Professionally I lead design and manufacturing teams for Lockheed Martin working on laser radar systems.

4. What do you offer the Board of Directors and the TPCA Community?

I offer a love for quality education and desire to see Twin Peaks continue to improve the education it provides for our students. I understand the history and present state of Twin Peaks. I also desire to continue to shape the future of Twin Peaks as an outstanding educational institution.

5. What do you see as the biggest challenge the Twin Peaks will face in the next two years?

The biggest challenge is apathy. We are an established charter school with a long proven track record. We need to continue to improve our product and school culture. We need to protect and enhance what we do very well and address what needs to be improved.

6. Why do you want to serve as a TPCA Board member?

I want to serve as a Twin Peaks board member because this is a great school and I desire to contribute to the continued success of the organization. As Twin Peaks improves our students education it pushes surrounding schools to improve. As a school we must recommit ourselves to continually improving our organization.
