

The End of School is Almost Here!!

As we look back over the year, The PTVO is happy to see all that we have accomplished, with your help, to support our students, teachers and clubs, making a positive difference in the culture and community here at TPCA!

What have we done this year?

We started the year off with back to school pool parties for the Middle School and Elementary students. The High School students enjoyed a back to school bowling party as well. Once school started we were at full speed preparing for the Timberwolf Trot. This year we raised \$35,165.22! Thank you for your generous support! Also, in the fall, we put on the Harvest Festival for our elementary students, Holiday Giving Tree and Food for the Holidays for our TPCA families and we coordinated a TPCA float for the 2015 Longmont Parade of Lights!

This spring the PTVO has sponsored the Middle School Luau Dance Party, International Festival and Staff Appreciation Week. We are currently ramping up for the Ice Cream Social, After Prom and Kindergarten Roundup along with one more event for our Middle School Students at Dizzy Family Fun Center!

In addition to these great events, the PTVO was happy to be able to provide the following for our TPCA Staff: Conference meals, birthday treats every month, welcome back to school and holiday gifts.

We were happy to financially support, with parent donations through the Timberwolf Trot, many activities this year. They include the Reading Challenge, Odyssey of the Mind, Graduation cap and gown fund, and still to come this year, 5th grade continuum party, 8th grade continuum party, True Grit Student Graduate recognition, and end of school field days. In addition, two new benches are coming for the west side of the building courtesy of your PTVO!

There is still more! Also, with the Timberwolf Trot donations, we were able to give \$8.00 per student for field trips and \$100.00 per teacher for classroom supplies! With special funds set aside we were able to fund many requests from our teachers, clubs and administration like safety buckets for new classrooms, band and choir music, electronic fencing equipment for our Fencing Club, a robot for our Legos Robotic Club, graphing calculators, a document camera and more!

As you can see, the PTVO contributes to building community by providing educational, safe and fun experiences along with much desired supplies for our students and staff. In order for these wonderful contributions to continue, the PTVO needs your support. We are still needing many officers for next year. Will you consider being a part of this valuable and necessary organization so that we can continue to enhance the experience of everyone at TPCA?

It's been pleasure for all of us on the PTVO Board to serve the TPCA community. Thank you for your support of the PTVO! Have a wonderful summer and we'll see you next year!

Sincerely,

The 2015-2016 PTVO Board

Lisa Barila, Heather McChesney, Duayne Haar, Nicol Rodriguez, Erica Stanworth and Chris and Lilah Imes
