

TPCA Community,

It has been a great year and it is hard to believe how quickly it has passed and come to an end. I would like to commend you for your commitment to the character, mission, and vision of Twin Peaks. This was a very busy year and you, as partners in education, played a great role in making it a success! Although it can be a hectic time of year, it is the time when I most realize how amazing our community is. I want to once again say thank you to our parents and staff for their commitment of time and energy every day toward creating an environment in which our students thrive! We started our year with the Six Pillars Pledge and I want to end our year reiterating what it means to be a Twin Peaks Charter Academy Timberwolf.

I am a Twin Peaks student and I have great expectations for myself.

I will be RESPONSIBLE by being in charge of what I say and do, by accepting the consequences of my actions, and by being accountable for my own learning.

I will be RESPECTFUL by having polite consideration for myself, others, property, and those in authority.

I will be a good CITIZEN by learning about our democratic system and doing my share.

I will practice FAIRNESS by treating people equally and being impartial.

I will strive to be TRUSTWORTHY by being someone who people can count on.

I will be CARING by being kind, considerate, sensitive and giving.

I am a Twin Peaks student and I accept the challenge to be the BEST THAT I CAN BE!

Go Timberwolves,

Doug Bean, Dean of Students-Interim Elementary Principal
