

Hello Twin Peaks Family,

This year has been a huge transition in my professional career. I am extremely pleased at the outcome of a lot of hard work from our leadership team as we morphed into what will be a solid group going forward. I want to take the time to thank the teachers, students, and parents for working together in my main areas of focus, which were PARCC/CMAS testing and scheduling of classes for next year. I'm happy to say that we distributed schedules to students at the beginning of May and we have met with most of our students who had issues to get them resolved prior to our summer break. There will be minor adjustments to schedules throughout the summer as I work to balance out classes. All students will receive a new copy of their schedule in August. We do this again as the new schedules will have locker numbers and combinations on them.

I am looking forward to great things from all of our students and staff as we begin a new year where the kindergartners will be the class of 2029! I hope that everyone has a fantastic summer and that the students return with a passion for success. I know that I will. Happy summer!

Sincerely,

Brad Agee
Dean of IT
