

Dear Parents of Twin Peaks Charter Academy,

Thank you for an amazing year. I appreciate all the support I received throughout the year. Whether it was a friendly reminder about a tradition, information about what was really happening in a classroom, or if it was an email with kind words of affirmation, I appreciate all the communication. As we now have our leadership team established, I look forward to unlocking the potential we have as a school. We have an extremely talented core of students and teachers, and with things in place, we will become the school of choice within the district in a short amount of time.

Thank you as well to the teachers who will not be joining us in the fall.

- Ms. Zeck will be leaving us to attend Graduate school at the School of Mines. She will be studying Geology.
- Ms. Balster had her baby in March, and now with two kids, decided she wanted a shorter commute so she will be working five minutes from her home at New Vision Charter School in Loveland.
- Ms. Hamrick will be switching fields and will be working at CU-Boulder in the IT department.
- Ms. Roser is pursuing working with high risk students to help them get back on track.
- Ms. Whiteman, our French/Literature teacher will not be returning next year. We wish her the best.
- Mr. McNutt's family is expecting a second child and will be returning to teaching at New Vision as well.

Again, thank you for everything. This is an honor I do not take lightly, and I am grateful for the opportunity.

Yours truly,

David Yu
Secondary Principal
