

Food Services

Twin Peaks Charter Academy Board will adopt a lunch program policy on an annual basis. When contracting with the district to provide lunch, TPCA will abide by policies set in EF, EFAA, EFC.

When providing the services through a separate contract TPCA may decide all parameters of those services. TPCA retains the right as stated in the charter to offer no meals or beverages.

If a lunch program is offered by the Academy that is not part of the District program, the Academy shall provide, at its costs, free and reduced priced meals to needy students in accordance with Board policies and regulations and applicable federal and state laws.
